# Splot and Splake got a letter from Slim.

“Come visit me,” the letter said.

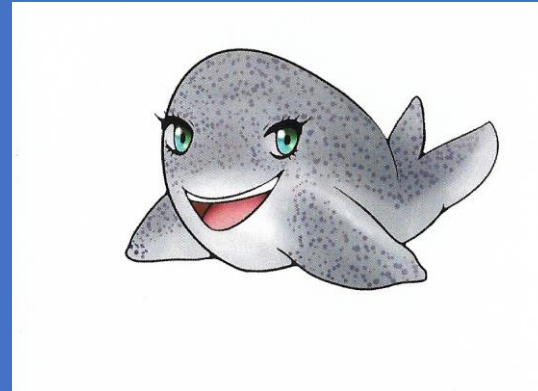

So Splot and Splake began to swim,  
North!

Along the way, they met Squishy, Squashy Squid.

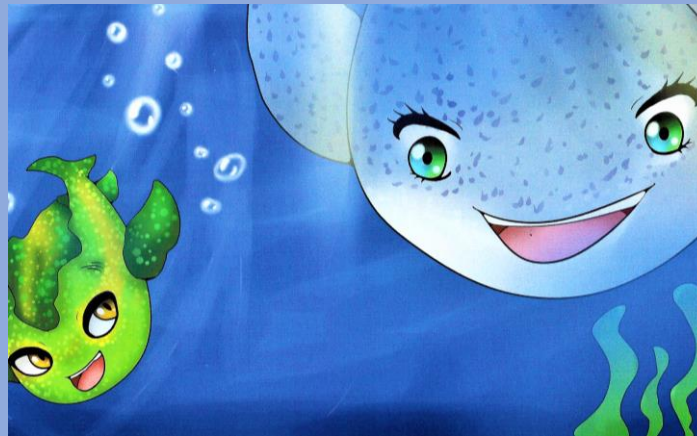

“Wanna come?”

“Too cold!” said  
the squid.

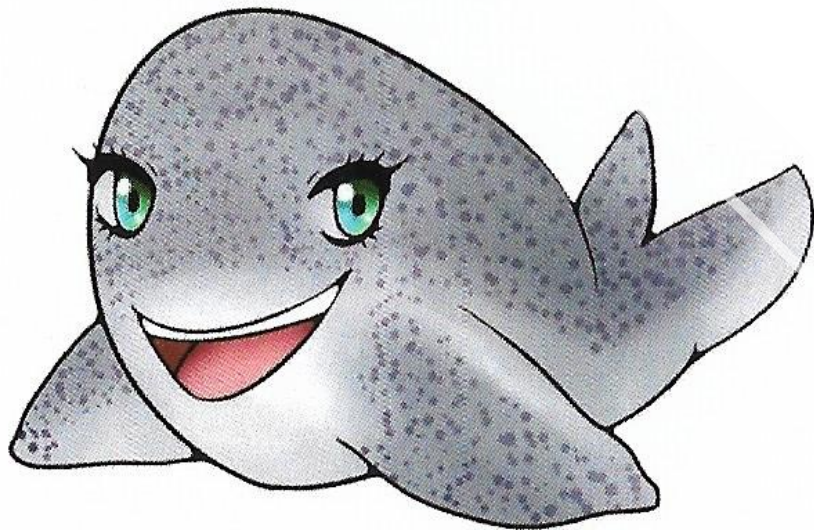

So Splot and Splake began to swim past orange coral

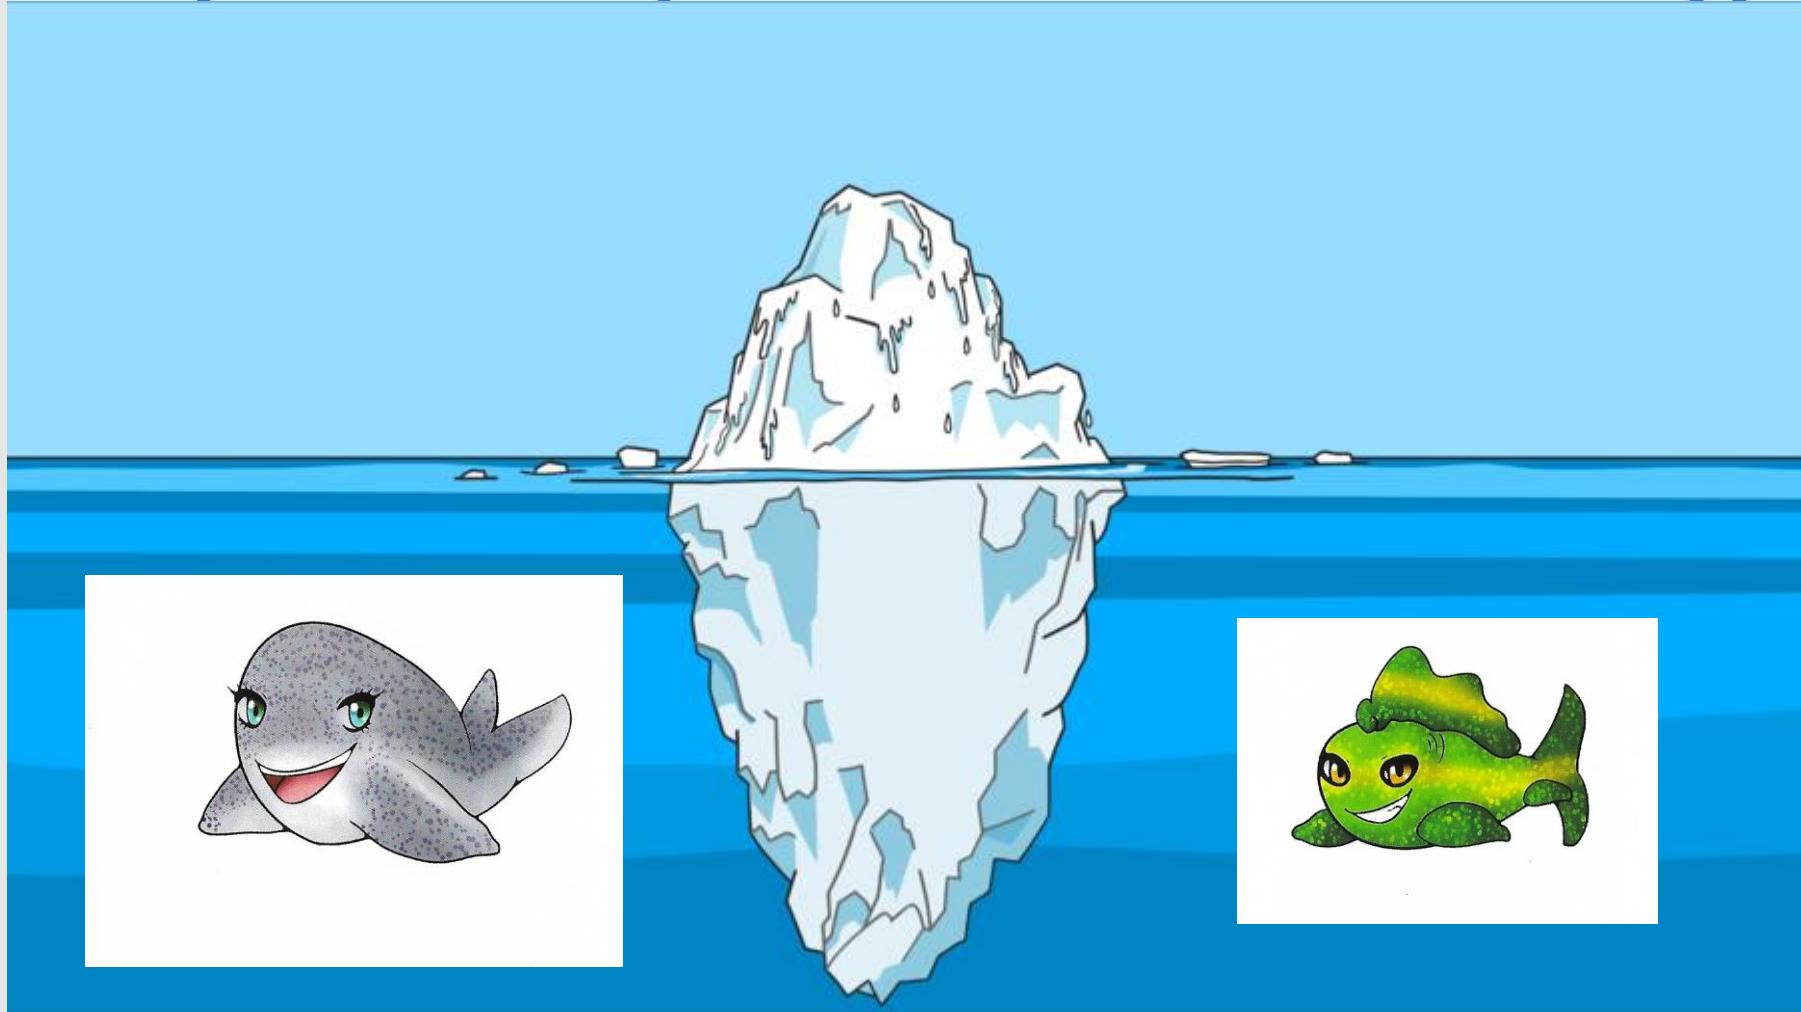

They swam past green  
sea kelp.

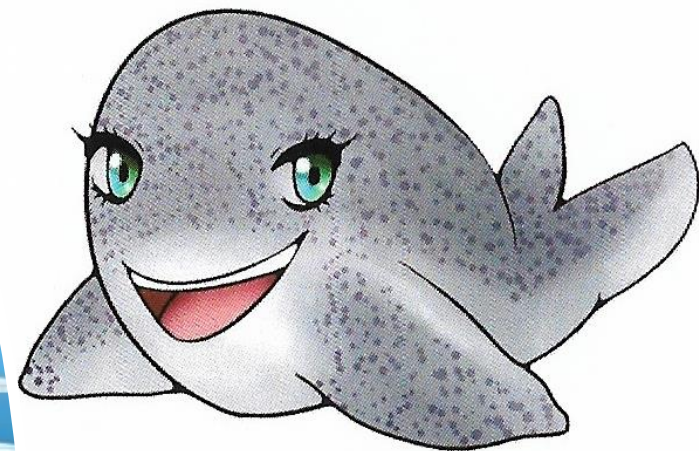

# They swam past white ice bergs!

Finally, they  
swam to Slim's  
home in the  
ice!

Splot and  
Splake  
played with  
Slim all day!
